Scriptures: Luke 6:37-38; 11:11-13; 19:1-10; Rom. 5:8; 1 John 3:1; 2 Cor. 8:3; 9:6-7; Mark 12:41-44;

1. In which way does our understanding of God fundamentally shape both our character and our message?
2. What are the ways in which we can demonstrate a spirit of generosity?
3. In which way does Paul highlight generosity in 2 Corinthians 8 and Jesus highlight generosity in Mark 12:41-44? What do these texts show us?
4. What is the difference between standards of giving in the OT and the NT?
5. Read 2 Cor. 9:6. In which ways does this spiritual principle of sowing and reaping apply in our lives? Do you have a story to share of how you have 'reaped' in some way?
6. Do you regard yourself as the owner or as a steward of your earthly resources (home, car, bank account, salary etc.)? What is the difference between these two approaches to our resources?
7. Do you think that it can be sometimes easier to part with your money than to be generous with your time?
8. The Message (Luke 6:37-38): *"Don't pick on people, jump on their failures, criticise their faults – unless, of course, you want the same treatment. Don't condemn those who are down; that hardness can boomerang. Be easy on people; you'll find life a lot easier. Give away your life; you'll find life given back, but not merely given back – given back with bonus and blessing. Giving, not getting, is the way. Generosity begets generosity."* Share with others in your group the ways in which you have received 'bonus and blessing' through having a generous spirit?
