

# Forgetting and Remembering

## Life Group notes

1. Share with your group if you have made a New Year's Resolution in 2020. Is this your normal practice? What "success" have you had previously with New Year's Resolutions?
2. What is your heart's desire for you personally and for our church family in 2020?
3. Read Isaiah 43:18-19; 46:9 (NIV). In which way were the people of Judah to both forget and remember the former things?
4. Steve suggested that Isaiah was highlighting there being a right way and a wrong way to look back (i.e. to learn from the past but not to live in the past). In which ways can we sometimes be guilty of this?
5. What is the proper response to that which God has done amongst us and for us at Tamworth Elim Church over the last couple of decades or so?
6. On a more personal level, what former things is it good to forget / remember? What lessons are you desiring to take with you into 2020?
7. Take time to pray for each other and for the church vision in 2020.
